COACHES INFORMATION

Coaching ~ Volunteer Coaching is a big task and our program could not run smoothly without your efforts! Here are some tips for keeping your team organized.

- Have a parent meeting prior to the start of the season. Assign designated parents to help keep score during games as well as be the home book when scheduled as the home team.
- When you obtain your score sheets from either the coaches' packet or online, fill it out with your players names and make 8-10 copies so that you have them filled out prior to the start of each game.
- Team Rosters, which are included in your coaches' packet, they must be filled out and submitted by either fax or email to the sports office prior to the start of the first game (1/5/19). (fax:503-823-1655).

***Coaching** ~ If you plan on coaching more than one team, you are required to have an assistant coach for each team. The assistant coach must also attend one of the coaches meetings. We will continue to try and work with scheduling issues however, with the rising number of teams it has become more difficult to accommodate so many requests. Coaching 3 or more teams is not permitted.

REQUIRED PRE-SEASON COACHES MEETINGS ~

Coaches and assistant coaches must attend one of the scheduled coaches meetings listed below. These meetings provide coaches with league policies and procedures plus training from the Positive Coaches Alliance. We will be taking attendance for these meetings.
