

**SECOND AMENDED AND RESTATED
VISITOR FACILITIES
INTERGOVERNMENTAL AGREEMENT**

This amended and restated intergovernmental agreement (the “Agreement”, “2018 Agreement” or “2018 VFIGA”) is made among the City of Portland (the “City”), Multnomah County (the “County”) and Metro (each individually, a “Party” and collectively, the “Parties”), and ~~shall~~will be in effect from the latest date of signature.

RECITALS

- A. The purposes of this Agreement ~~is~~are to support regional visitor facilities and ~~develop the~~ visitor industry ~~development~~ in the Portland ~~Multnomah County metropolitan~~ area. The Parties have entered into this Agreement and related agreements to continue supporting and enhancing regional tourism; ~~and convention, exhibition, spectator, and arts and cultural facilities;~~ the visitor and hospitality industry; and to maximize the economic development benefits associated with visitor facilities, programs and services for the Portland ~~Multnomah County metropolitan~~ area. ~~The~~This 2018 Agreement and the Visitor Facilities Trust Account (“VFTA”) provide additional support necessary to complement programs, investments and contributions made by all Parties for the health of our community and in support of visitor development.
- B. The Parties entered into the original Visitor Facilities Intergovernmental Agreement, dated January 31, 2001 (the “2001 Agreement”), to implement the understandings and agreements contained in that certain Memorandum of Understanding dated September 14, 1999. ~~This~~The Amended and Restated Visitor Facilities Intergovernmental Agreement, dated October 25, 2013 (the “2013 Agreement”) ~~supersedes made changes to~~ funding priorities, added debt obligations that resulted in financing opportunities and efficiencies, revised programmatic services, and modified roles and responsibilities of the Parties. The 2013 Agreement superseded and fully replaces ~~replaced~~ the 2001 Agreement. The Parties desire for this 2018 Agreement to supersede and fully replace the 2013 Agreement.
- C. On or about April 26, 2001, the City, County and Metro entered into the Visitor Development Fund Services Agreement (“VDFSA”) with Visitor Development Fund, Inc., whose ~~15 member~~15-member board includes two representatives from each of the City, County, and Metro, two members appointed by “Travel Portland” and ~~nine~~seven members representing the hotel and car rental business sectors. The Parties intend to update and amend the VDFSA to conform ~~with the amendments to~~ this the 2018 Agreement.
- D. The Parties recognize and wish to continue successful support of (i) regional efforts to bring visitors and conventions to the Portland metropolitan region, (ii) building, maintaining and operating essential visitor facilities, and (iii) increased economic benefits from travel and tourism in the region through both direct and indirect support for facilities, programs and services through the partnership embodied in this series of agreements, and are entering into this 2018 Agreement to further enhance the long-term

public and private sector efforts that have contributed to and promoted growth of the travel and tourism sector and the region's economy.

- E. The Parties recognize (i) it is appropriate to use allocations from the VFTA to fund construction projects for the development and redevelopment of essential visitor facilities, (ii) the details of such projects are likely to be developed over an extended period of time, and (iii) other public and private funding sources for such projects can be leveraged by a commitment of VFTA funds. The Parties desire to allow for future allocations of VFTA funds for such projects, without requiring further amendment to this 2018 Agreement, subject to the provisions of transparency and accountability as described herein.
- F. The Parties recognize that historically, growth in transient lodging tax collections tend to exceed growth in the Consumer Price Index ("CPI"), and that by using the CPI to escalate certain VFTA allocations, the VFTA will tend, over time, to accumulate revenues in excess of expenses. The Parties further recognize that strategic opportunities, such as large-scale events and conventions, as well as the impacts of economic cycles cannot be predicted. The Parties believe that the success of the VFTA partnership will be enhanced by creating mechanisms to allow future discretionary allocations of revenues, without requiring further amendment to this Agreement, in response to opportunities and challenges subject to the provisions of transparency, accountability and approval as described herein.
- G. The Parties recognize that the area's economic success has not been uniformly shared by the community and a vulnerable portion of the population has been negatively impacted by rapid increases in housing costs. An allocation from the VFTA as a new and additive source of funds to support the significant existing regional investments in affordable housing and supportive services to address the root causes of homelessness and its associated livability and safety concerns is appropriate, and will (i) improve conditions for the community and people experiencing homelessness, (ii) improve the visitor experience, and (iii) help Portland remain a desirable travel and tourism destination.
- H. Since 2013, the VFTA system has benefited from frequent and consistent financial review by a Financial Review Team. The parties now wish to add additional oversight and to expand the existing role of the Visitor Development Fund, Inc Board ("VDFI Board") in approving adjustments to VFTA funding allocations in response to specified triggers, which is subject to dispute resolution, as described herein.
- ~~E.I.~~ The Parties recognize that successful development of the travel and tourism economic sector is dependent on the existence of high-quality facilities for convention, spectator, exhibition, and arts and cultural activities, and in order for the facilities and programs provided for in this Agreement to function in an economically viable manner, all the items included in this Agreement require funding. The loss of funding for any item may threaten the viability of all the other facilities, programs and services.
- ~~D. On or about May 15, 2000, the City and Metro entered into the Amended Agreement Regarding Consolidation of Regional Convention, Trade, Spectator and Performing Arts~~

~~Facilities Owned and Operated by the City of Portland and Metro (commonly called the Consolidation Agreement). Metro and the City expect to amend the Consolidation Agreement to conform with the amendments to this Agreement and to update other provisions of the Consolidation Agreement as needed.~~

~~E. The Parties have previously entered into, and may amend to conform to the Agreement, the following agreements in order to carry out the Agreement: (i) intergovernmental agreement(s) between Metro and with Tri Met regarding the provision of public transit passes for OCC visitors and (ii) intergovernmental agreement(s) between the City and County regarding collection of the transient lodgings tax.~~

~~F. ORS 190.010 authorizes the Parties to enter into intergovernmental agreements to carry out their activities and functions.~~

~~G. All Parties are authorized to promote the visitor industry and economic development within their jurisdictions and to fund and/or operate facilities that attract visitors and support the arts in the Portland Multnomah County area.~~

H.J. The Oregon Convention Center (“OCC”) ~~is and~~ Portland Exposition Center (“Expo”) are owned and operated by Metro. The Portland’s 5 ~~Centers~~ for the ~~Performing Arts (“P’5CPA”)~~ is-are owned by the City and operated by Metro under the Consolidation Agreement. ~~JELD-WEN Field~~ Providence Park (the “Stadium”) and the “Rose Quarter Facilities” are owned by the City. In addition, Metro, the City, and the County own and operate a variety of other facilities and provide a variety of programs and services that support the purposes of this Agreement promote the visitor industry and economic development within their jurisdictions and attract visitors to the Portland metropolitan area.

~~I. All Parties have an interest in the maintenance and improvement of these regional visitor facilities and in the development of the visitor industry in the Portland Multnomah County area. The Parties recognize that visitor development and the spectator facility system is intertwined and the operation of that system is critical to the continued production of revenue for the purposes defined herein. In order for the improvements provided in this Agreement to function in an economically viable manner, all of the items included in this Agreement require funding. The loss of funding for any item may threaten the viability of all of the other improvements, programs and services.~~

J.K. -The County has the authority to impose and levy a surcharge rate of 2.5% on the gross amounts of value paid to or received by the owners or operators of hotels, motels, and other lodging facilities for lodging of ~~less than one month~~ thirty (30) consecutive days or less duration from occupants (the “VFTA TLT Surcharge”) to support the purposes of this Agreement ~~(the “VFTA TLT Surcharge”)~~.

K.L. The County has the authority to impose and levy a surcharge rate of 2.5% on the motor vehicle rental fee charged by a commercial company on vehicle rentals of thirty (30) days or less duration (the “VFTA VRT Surcharge”) to support the purposes of this Agreement ~~(the “VFTA VRT Surcharge”)~~.

~~L.M.~~ As provided in ORS Chapter 287A.310, the County is authorized to pledge the VFTA TLT Surcharge and the VFTA VRT Surcharge for bonds and other borrowings, including the OCC Bonds, the City Bonds. ~~The County intends to expand this authority to include and the OCC Hotel Project Bonds, that Metro anticipates issuing to support the development of an OCC Hotel Project.~~

~~M.N.~~ The County has the authority to impose and levy a surcharge rate of 3% on the gross amounts of value paid to or received by the owners or operators of hotels, motels, and other lodging facilities for lodging of less than one month-thirty (30) consecutive days or less duration from occupants (the “Excise Tax Fund TLT” or “ETF TLT”) for support of specified facilities and programs including the OCC, PCPA P’5 and the Regional Arts and Cultural Council.

~~N.~~ ~~Metro receives a portion of the Excise Tax Fund TLT for OCC operating support that is governed by a separate intergovernmental agreement between the County and Metro, entered into on April 1, 2000 (the “ETF IGA”). Under the terms of the ETF IGA, one-third of the ETF TLT allocation for OCC operating support is to be dedicated to OCC marketing efforts. Metro reaffirms its commitment to make every possible effort to expend at least one-third of the Excise Tax Fund TLT it receives from the County for OCC operating support on OCC marketing efforts.~~

O. The City has the authority to impose and levy transient lodging taxes, for (i) general City purposes and (ii) the promotion of convention business and tourism, on the gross amounts of value paid to or received by the owners or operators of hotels, motels, and other lodging facilities for lodging of less than one month-thirty (30) consecutive calendar days or less duration from occupants (the “City 5% TLT” and “City 1% TLT”, respectively).

~~P.~~ The City ~~has issued City OCC Bonds, and Metro intends to issue OCC Hotel Project Bonds,~~ on the condition that the County imposes and maintains the VFTA TLT Surcharge and ~~or~~ the VFTA VRT Surcharge for the life of the OCC Bonds. The City issued Stadium Bonds and intends to issue VMC Renovation Bonds and P’5 Renovation Bonds on the condition that the County impose and maintain the VFTA TLT Surcharge for the life of the Stadium Bonds and the VMC Renovation Bonds and P’5 Renovation Bonds, if such bonds are issued.

~~Q.P.~~ ~~The County is willing to impose and maintain the tax surcharges on transient lodging and/or vehicle rentals described in Recitals J and K above as long as necessary to pay or defease the Bonds issued under this Agreement. At such time as any of these surcharges are no longer necessary to pay or defease bonds issued under this Agreement, the Board of County Commissioners, at its sole discretion, may choose to terminate or modify the surcharges.~~

~~R.~~ ~~Since the 2001 Agreement was approved, the VFTA and the 2001 Agreement have successfully supported regional efforts to bring visitors and conventions to the Portland-Multnomah County region, support the operations of and improvements to regional visitor and spectator facilities including the OCC, PCPA and the Stadium, and increase~~

visitor development and economic development opportunities in the region through both direct and indirect support for facilities, programs and services.

~~S. In 2011, the City refunded the OCC Completion Bonds and the PCPA Bonds to take advantage of improved market conditions, resulting in debt service savings to the VFTA of approximately \$875,000 annually through Fiscal Year 2029-30.~~

~~T. In addition, since the 2001 Agreement was approved, a number of changes have occurred, or are proposed to occur, to business operations and debt obligations, resulting in changes to financing opportunities and efficiencies, revised programmatic services, and modified roles and responsibilities of the Parties. These changes are reflected in the clarification and expansion of the funding priorities contained in this Agreement.~~

~~U. The Parties share a common understanding that (i) the OCC has a fundamental competitive disadvantage due to its lack of an adjacent convention center hotel, and (ii) public investment is necessary to the development of a privately owned, financed, constructed and operated hotel adjacent to the OCC to serve national convention clients and provide a quality hotel of the type and scale, including the necessary meeting and ballroom facilities, to bring additional national convention business to the OCC.~~

~~V. Metro intends to negotiate an OCC Hotel Project Development Agreement, including a commitment of public funds, which will result in development of a convention center hotel and improve the competitiveness of the OCC. In other related agreements, Metro will endeavor to negotiate key terms that address OCC competitiveness, such as a minimum room block for a length of time consistent with the anticipated OCC Hotel Project Bonds, while at the same time taking into consideration the interests of and impacts on existing hotels and service providers. Metro believes that the overall hotel market will grow and strengthen due to the new and additional conventions at the OCC~~

~~W. In addition to private funds in excess of \$115 million and the commitment of site-specific transient lodging taxes generated by the OCC Hotel Project, which is described in this Agreement, development of the OCC Hotel Project is expected to be supported by public contributions including a \$4 million grant from Metro, a \$4 million loan from the Portland Development Commission and \$10 million from State of Oregon lottery funds.~~

~~X. To clearly indicate support for an appropriate level of public investment in a privately-owned convention center hotel, the Parties have included in this Agreement, provisions for the use of non VFTA Site Specific Transient Lodging Tax Revenues (“SSTLTR”) and the VFTA for bond financing of a portion of the cost of constructing such hotel. Given that negotiations on the development terms are not complete, specified actions necessary to fully implement this Agreement are provisional and tied to the outcome of the completion by Metro of an OCC Hotel Project Development Agreement.~~

~~Y.Q. A portion of the development of the OCC Hotel Project will be financed via revenue bonds issued by Metro issued (the “OCC Hotel Project Bonds”), and Metro is willing to provide a limited financial pledge of support for the OCC Hotel Project Bonds on the Second Amended and Restated Visitor Facilities Intergovernmental Agreement – REDLINE – Final – Substitute~~

condition that the County ~~continues to~~ impose and maintain the VFTA TLT Surcharge and Excise Tax Fund TLT and the City ~~continues to~~ impose and maintain the City 5% TLT ~~and City 1% TLT~~ for the life of the OCC Hotel Project Bonds.

~~Z. — The Parties intend to utilize the stability and resource capacity of the VFTA to obtain favorable terms for the OCC Hotel Project Bonds, which will benefit from the strength and duration of the VFTA system, and create the most efficient bond financing mechanism for public investment in the OCC Hotel Project. The Parties have included in this Agreement mechanisms intended to assure the continued health and strength of the VFTA system as a whole.~~

~~AA. — The Parties agree to redirect the non-VFTA SSTLTR generated by the OCC Hotel Project into the VFTA and that the amount and repayment structure of the OCC Hotel Project Bonds will be based upon the SSTLTR as set forth herein.~~

~~BB. — The Parties agree that, based on the current projections for the OCC Hotel Project, the entire VFTA system benefits from the inclusion of the non-VFTA SSTLTR in the VFTA because total revenues are increased and SSTLTR above the amount necessary for OCC Hotel Project Bond repayment, if any, will accrue to the VFTA.~~

~~CC. — The Parties agree that the VFTA system will benefit from more frequent and consistent financial review, and to achieve this outcome, have included in this Agreement the creation of a Financial Review Team with specified duties and tasks.~~

~~DD. — The Parties agree that the VFTA system will benefit from the development and ongoing maintenance of a Visitor Development Strategic Plan, and to achieve that outcome, have included in this Agreement a commitment to create and maintain such a plan.~~

~~EE. — The Parties agree that periodic review of this Agreement by the Parties is valuable to maintain its support of regional visitor facilities and visitor industry development in the Portland Multnomah County area, and have included in this Agreement a commitment to discuss the terms of this Agreement periodically.~~

3.3.17. ~~Bond Redemption~~General Reserve. ~~Thirteenth~~Sixteenth, any Net Revenues or TLT Net Revenues in excess of the amount required to be deposited in the RR or SR, will be deposited into a “~~Bond Redemption~~General Reserve” (or “~~BRRGR~~”), which will be used to replenish the Restricted Reserve and Strategic Reserve or disbursed as directed by the VDFI Board with concurrence of the Financial Review Team as described in Sections 3.3.16.8 and 3.3.16.9 or Section 7.2.6, or by the Dispute Resolution Committee through dispute resolution in Section 8 and shall be used exclusively to redeem Bonds prior to their stated maturity date and at their earliest optional redemption date. For example, for Fiscal Year ~~2014~~2019-2015-2020 (July 1, ~~2014~~2019 – June 30, ~~2015~~2020), each of the allocations will be multiplied by a fraction, the numerator of which is the CPI for the second half of ~~2013~~2018 (July 1 – December 31, ~~2013~~2018) and the denominator of which is the CPI for the second half of ~~2012~~2017 (July 1 – December 31, ~~2012~~2017). If the calculation described above is a negative number, Escalation for that Fiscal Year will be zero and the same amount disbursed the prior Fiscal Year will be disbursed in the next Fiscal Year for Escalated allocations. Escalation for all allocation amounts in Sections 3.3.~~5-6~~ through 3.3.~~11-14~~ begins in the Fiscal Year after Year One and continues annually thereafter unless otherwise stated. For any allocation amount that is reset to a new level, as described in in Sections 3.3.6 through 3.3.14, Escalation for the reset amount begins in the first Fiscal Year after the Fiscal Year in which the reset occurs. For example, Escalation of an allocation that increases in FY 2024-25 begins in FY 2025-26. The ~~Trustee~~VFTA Administrator ~~shall~~will calculate the Escalated amount for each Escalated allocation in Sections 3.3.~~5-6~~ through 3.3.~~11-14~~ at least one-hundred (100) calendar days prior to the start of each Fiscal Year.

The City may issue bonds or other indebtedness to fund Stadium improvements in addition to the Stadium Bonds, however, such bonds shall not be repaid from the VFTA.~~

5.2. <u>FY 2018-19</u>	<u>\$ 1,768,693.65</u>	<u>\$ 1,267,409.45</u>
<u>FY 2019-20</u>	<u>\$ 1,839,441.40</u>	<u>\$ 1,197,445.50</u>
<u>FY 2020-21</u>	<u>\$ 1,913,019.05</u>	<u>\$ 1,123,839.45</u>
<u>FY 2021-22</u>	<u>\$ 1,989,539.81</u>	<u>\$ 1,049,412.69</u>
<u>FY 2022-23</u>	<u>\$ 2,069,121.41</u>	<u>\$ 204,883.99</u>

~~5.2.2.5.3.2. The City will provide for the payment of a pay its portion of the debt service on the Stadium Bonds from resources of the City’s Spectator Facilities Venues and Visitor Activities Fund (the “Spectator Facilities Venues and Visitor Activities Fund Revenues”). The Parties have agreed that the City’s share of debt service on the Stadium Bonds is equal to the FY 2002-03 payment of \$944,320.00, increasing by 4.00 percent per year to a payment of \$1,397,824.28 for FY 2012-13. If less than \$3,000,000 total nominal debt service savings is produced, the entire amount of the savings will be allocated to the benefit of the City’s Spectator Facilities Fund Revenues, but in no case will the allocation of nominal debt service paid by the VFTA be increased above the annual amounts originally anticipated prior to refunding. The Parties may elect to realize debt service savings upfront or in some manner other than uniformly over the remaining life of the refunding bonds.~~

~~5.2.3.2. Notwithstanding the conditions described in Section 5.3.2.1, and prior to the City’s commitment to execute Stadium bonds to refinance the outstanding Stadium Bonds, the Financial Review Team shall review~~

~~and verify the final debt service on the Stadium Bond refunding as described in Task 4A of Attachment A.~~

~~A) — Consistent with Section 6.2.4, review and analyze the SSTLTR paid by the OCC Hotel Project as follows:~~

- ~~1. — The Trustee shall prepare a reconciliation accounting of (1) the collected SSTLTR, including the difference between the amount stated in Sections 3.3.7.1 and the amount stated in Section 3.3.7.2, as Escalated, for Enhanced OCC Marketing Support, and (2) the amount of principal and interest (debt service) on OCC Hotel Project Bonds paid to Metro from VFTA funds during that corresponding time period.~~
- ~~2. — The FRT will compare the amount of SSTLTR that was paid by or attributed to the OCC Hotel Project to the payments for the OCC Hotel Project Bonds under Section 3.3.4. If the total of the SSTLTR is larger than the total of the bond payments, an accounting “credit” will be recorded for the time period being analyzed. If the total of the bond payments is larger than the total of the SSTLTR, an accounting “debit” will be recorded for the time period being analyzed.~~
- ~~3. — The credits and debits will be summed to determine if the cumulative accounting balance is positive (a “credit balance”) or negative (a “debit balance”). The cumulative accounting balance will be carried forward into subsequent reconciliation reviews.~~

~~B) — Consistent with Section 6.2.4, determine if a Metro reimbursement payment is due and the amount, if any, that should be paid by Metro to the VFTA, or if a refund to Metro is due, as follows:~~

- ~~1. — As described in Section 6.2.4.2, if the cumulative accounting balance is a debit balance, and if no funds are available within the VFTA Restricted Reserve, the FRT may determine that Metro be required to remit to the County for deposit in the VFTA a reimbursement payment up to the amount of the debit balance. The FRT can set the reimbursement payment to an amount less than the debit balance and can choose to delay payment until a subsequent reconciliation review is completed. Any debit balance that may be remaining after a Metro reimbursement payment is determined shall be carried forward into subsequent reconciliation reviews.~~
- ~~2. — The FRT shall determine if a reimbursement payment is required by Metro by considering appropriate financial factors, including but not limited to: the fluctuations in SSTLTR collections over the life of the OCC Hotel Project Bonds taking into consideration historic trends and current economic indicators, the amount of the negative balance, and the VFTA Fund Forecast.~~
- ~~3. — As described in Section 6.2.4.3, the FRT shall determine if Metro is owed a refund payment. If, after refunding to Metro all reimbursement payments made by Metro in prior Fiscal Years, an accounting credit balance still remains, the credit balance will be carried forward into subsequent reconciliation reviews.~~

~~*FRT Deliverables:* 1) Reconciliation report to Metro COO. 2) Direction to the Trustee and Metro COO on Metro’s required reimbursement of the VFTA or refunds to Metro from the VFTA.~~
