

# Rules of the Wet Road

1. All lanes circle counter clockwise.
2. The center line is always on your left.
3. Be aware of your speed! If you are being passed regularly, move to a slower lane. If you are passing others regularly, move to a faster lane.
4. Be aware of other swimmers. If you think you're going to be passed, STOP at the end of the pool and let the faster swimmer go ahead.
5. Kick boards are OK! But, please be aware of your speed. If needed, STOP at the end and let other swimmers pass.
6. Avoid swimming side by side.
7. Communicate with each other. If the speed of swimmers in your lane changes, someone may need to move.
8. Please ask the lifeguard on duty if you have any questions.
